Vocabulary Options Checklist

1. Word Art

- word is written so the word's letters represent ideas/connections to the word
- make four connections to the word's meaning
- write a paragraph below the word art explains each connection

2. Symbolic Representation

- drawing or picture that stands for or symbolizes your word
- 1-2 sentences that explain why you chose this object to symbolize the word
- use the word in your explanation
- symbol cannot be the word itself (Don't draw a pedestrian to symbolize a pedestrian.)

3. Nature Haiku Poem

- must be nature-related
- use the word once in poem
- 3 lines in poem that contain 5, 7, and 5 syllables
- drawing or picture

4. Create an App

- app must be called the word
- four or more sentences that describe what the app does
- the app's purpose or function must be based on the word's meaning
- logo (app icon) shows understanding of word or app's purpose
- user review with name of reviewer

5. Personified Vocabulary

- name of your person must be your word
- 3-4 sentences that describe the personality or lifestyle of your person, which is based on their name
- drawing of your person must illustrate knowledge of word

6. Stickman Cartoon

- cartoon with stick figures
- stick figure is saying something that uses your word OR cartoon is accompanied by 1-2 sentences that explain the drawing and uses the word

7. Superhero & Villain

- drawing of superhero
- 2-3 sentences that describe superhero's name and abilities based on word
- drawing of villain (the superhero's nemesis or opposite)
- 2-3 sentences that describe villain's name and abilities based on word; hint: think of an antonym for your villain's name and make up their abilities based on the antonym's meaning

8. Horror Movie Poster

- Invent a horror movie whose title is or contains your word.
- Write a tagline or slogan that creatively describes the gist of the movie
- Make sure your title OR tagline contains the word
- Draw an illustration that shows knowledge of the word.
